**RIPPLE LABS, INC., BRADLEY GARLINGHOUSE,

Defendants.

DECLARATION OF

I, [REDACTED] pursuant to 28 U.S.C. § 1746, declare as follows:

14. Since 2011, I, [REDACTED] have served in several executive roles in connection with [REDACTED] and its affiliates [REDACTED] including Chief Financial Officer and Chief Operations Officer, and as Chief Executive Officer at [REDACTED] since 2021.

2. I received a Bachelor of Arts degree from the [REDACTED] and a Master's Degree in Business from the [REDACTED] both in

3. [REDACTED] is a proprietary trading firm specializing in [REDACTED]. [REDACTED] earns revenues through trading. [REDACTED] develops [REDACTED] for its trading activities, which seek to capture spreads between bids and offers.

4. On or about June 21, 2018, an [REDACTED] entity signed a “Master XRP Loan to Purchase Agreement” (the “Loan to Purchase Agreement”) with XRP II, LLC, which I understood to be associated with Ripple. See Exhibit A.

5. In connection with the Loan to Purchase Agreement, ██████ purchased at least 2,226,374 XRP in August 2018 for a total of \$797,684.31, which ██████ wired to Ripple's bank

account at Silicon Valley Bank in Santa Clara, California.

6. On or about September 5, 2018, an [REDACTED] entity signed a “Master XRP Commitment to Sell Agreement” (the “CTS Agreement”) with XRP II, LLC, which I understood to be associated with Ripple. *See* Exhibit B.

7. In connection with the CTS Agreement, [REDACTED] purchased at least 4.3 million XRP from September 2018 through January 2019 for a total of \$2,182,172.50, which [REDACTED] also wired to Ripple’s bank account at [REDACTED] in Santa Clara, California.

8. Both the Loan to Purchase and CTS Agreements presented [REDACTED] with an opportunity to source large amounts of XRP directly from Ripple on-demand. Neither agreement required that [REDACTED] purchase or take possession of the XRP that Ripple made available to [REDACTED] on any specified circumstances.

9. In all instances, [REDACTED] purchased XRP directly from Ripple only when engaging in arbitrage trading strategies on digital asset trading platforms or in connection with trades facilitated by [REDACTED] over-the-counter trading desk. When it purchased XRP from Ripple, [REDACTED] principally intended to profit off those purchases by selling the purchased XRP at a higher price from the purchase price.

10. When it purchased the XRP, [REDACTED] did not intend to use it for any other purpose other than selling at a higher price than the purchase price.

11. Given the amounts and way that [REDACTED] sought to trade XRP, Ripple was the only practical source for XRP at the time.

12. The XRP [REDACTED] purchased from Ripple was not subject to any sales restrictions.

13. Because the Commission submits this Declaration for the limited purpose of supporting this Application, I have not set forth each and every fact I know concerning Ripple or the Individual Defendants in this case.

I declare under penalty of perjury that the foregoing is true and correct.

MASTER XRP LOAN TO PURCHASE AGREEMENT

This Master XRP Purchase Agreement ("Agreement") is effective the date the last Party signs ("Effective Date") and is between XRP II, LLC ("XRP II" or "Company") and [REDACTED] ("Customer"). XRP II and Customer are hereby referred to as "Party" individually and together as "Parties".

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, the Parties agree as follows:

SECTION 1. TRANSFER OF XRP.

(a) **Transfer.** From time to time, the Parties may enter into transactions in which the Company, a New York limited liability company, regulated by the New York State Department of Financial Services, will agree to transfer up to an aggregate amount of **1,000,000 units of XRP**, the digital asset native to the XRP Ledger, to the Customer, against the transfer of funds, typically U.S. dollars, by the Customer to the Company (as described below). Each such transaction is referenced herein as a "**Transaction**" and, unless otherwise agreed in writing, is to be governed by this Agreement. With respect to each Transaction, the Company shall transfer such XRP to a specified wallet directly owned by Customer, to be used specifically and solely in connection with Transactions under this Agreement (the "**Segregated Wallet**"). The security of the Segregated Wallet created and maintained by Customer will be the sole responsibility of Customer. In no event may Customer transfer any XRP into, or allow any XRP to be transferred into, the Segregated Wallet. If any XRP is transferred into the Segregated Wallet, then (i) any XRP remaining in the Segregated Wallet on the End Date (as defined below) is the property of Customer and (ii) Customer must pay the Company an amount equal to the number of units of XRP remaining in the Segregated Wallet multiplied by the Market Price as of the time of transfer. As used herein, "**Market Price**" means, at the relevant time, the indexed price of XRP traded against U.S. Dollar as published on <https://tradeblock.com/markets/index/xrx>.

(b) **Confirmation; Expiration.** Upon agreeing to enter into a Transaction and prior to the execution of such Transaction, the Company shall promptly deliver to the Customer via email a written confirmation of the Transaction, substantially in the form attached hereto as Appendix A (the "**Terms of XRP Loan**") that contains information including:

- (i) the Customer's XRP address;
- (ii) the total XRP units subject to the Transaction, referred to as the "**Loaned XRP**";
- (iii) the total transaction value (including currency), referred to as the "**Purchase Price**" (defined below); and
- (iv) the End Date for such Transaction (as defined below).

Unless the Customer countersigns the Terms of XRP Loan and submits an electronic countersigned copy to the Company, the Company will not complete the Transaction. The countersigned Terms of XRP Loan, together with this Agreement, shall constitute the terms agreed between the Company and the Customer with respect to the Transaction to which the Terms of XRP Loan relates.

The Company will complete a Transaction only in the event that the Customer returns a countersigned Terms of XRP Loan within twenty-four (24) hours from the time the Company sends such Terms of XRP Loan to Customer, after which the terms of the Transaction as reflected in the Terms of XRP Loan will expire.

In all events, and in its sole discretion, the Company reserves the right to refuse to complete, or to otherwise cancel, any pending Transaction, even after the delivery of the Terms of XRP Loan to the Customer. The Company will have no liability to Customer (excluding the repayment of Purchase Price paid, if any) if the Company exercises the right set forth in the preceding sentence.

(c) **Receipts; Cancellations and Reversals.** Following the completion of a transaction between Customer and Company under this Agreement, including the delivery of the Loaned XRP to the Customer as recorded on the XRP Ledger and payments by Customer to the Company of the Purchase Price, the Company shall provide to the Customer a receipt, substantially in the form attached hereto as Appendix B and adapted as appropriate for the transaction type. Once completed, a Transaction cannot be cancelled, reversed, or changed.

(d) **Withdrawal of XRP.** Customer may withdraw XRP from the Segregated Wallet, subject to the following terms. Prior to any withdrawal, Customer shall send an email to xrpil@ripple.com which, at a minimum, shall include the following information: (a) units of XRP Customer seeks to withdraw from the wallet; (b) date and time the Customer seeks to withdraw from the wallet; and (c) the preferred rate ("**Preferred Rate**"), as measured by the indexed price of XRP traded against U.S. Dollar as published on <https://tradeblock.com/markets/index/xrx>. XRP II will invoice Customer for the sum during the Invoice Period of: the units of XRP withdrawn times the Preferred Rate of the withdrawal ("**Purchase Price**") and indicate the period of time during which withdrawals take place on the invoice ("**Invoice Period**"); provided, however, if XRP II determines that the Preferred Rate does not reflect the indexed price of XRP traded against U.S. Dollar as published on <https://tradeblock.com/markets/index/xrx> at or as close as reasonably possible to the timestamp of the withdrawal from the Segregated Wallet ("**Standard Rate**"), XRP II may at its sole discretion substitute the Standard Rate for the Preferred Rate in the calculation of the Purchase Price. XRP II will indicate on the invoice whether the Preferred Rate or Standard Rate was used in the calculation. Within five (5) days of receiving the invoice, Customer shall pay XRP II the Purchase Price in USD noted on the invoice. Following receipt of payment, XRP II shall send Customer a receipt confirming such payment.

(e) **Return of XRP.** Each Transaction shall have an "**End Date**," which is the date that is 3 months after the date of the Terms of XRP Loan document is sent by Company. Within two business days from the End Date, Customer shall return any XRP remaining in the Segregated Wallet ("**Remaining XRP**") to XRP II at a XRP II wallet that XRP II specifies. If Customer does not return such Remaining XRP to XRP II by 12:00:01AM PST on the third business day from the End Date, Customer must pay XRP II an amount equal to the units of Remaining XRP multiplied by the Market Price as of

12:00:01 AM PST on the End Date. Such payment must be made within 5 days from the End Date.

SECTION 2. TERMS AND CONDITIONS OF THE PURCHASE.

(a) **Taxes.** The Purchase Price is exclusive of any applicable taxes. To the extent any taxes are applicable to Customer on the sale of the Loaned XRP, the Customer shall be obligated to pay all applicable taxes. The Company is not responsible for any taxes that the Customer is legally obligated to pay in any jurisdiction in which such taxes are incurred or arise in connection with the Customer's business activities (under this Agreement or otherwise).

(b) **Delivery.** Without limiting any and all rights the Company may have in Section 1(b) of this Agreement, within two (2) business days after the Company has received an electronic countersigned copy of the Terms of XRP Loan from Customer, the Company shall use commercially reasonable efforts to deliver the Loaned XRP to the Segregated Wallet, subject to the Company's rights in Section 1 (b).

(c) **Risk of Loss.** Immediately upon the Company's delivery of the Loaned XRP to the Customer, all title to and risk of loss related to such XRP passes to the Customer. The Customer acknowledges and agrees that the Company has no liability to the Customer or any third party for any loss, theft or misuse of any XRP that the Company has delivered to the Customer as provided in this Agreement.

(d) **Customer Acknowledgement.** Customer acknowledges and agrees that (i) the Loaned XRP do not represent a right to make any demand on the Company, (ii) the Company has no obligation to redeem or exchange the Loaned XRP for monetary value, goods, services or any other item; and (iii) the Company is not responsible for any use by the Customer or any third party of the Loaned XRP.

(e) **Applicable Laws.** The Customer shall comply with all laws, regulations, and administrative or judicial orders that are applicable to the operation of its business, this Agreement, and its performance hereunder, including, but not limited to, any applicable laws, rules, and regulations related to sanctions and asset controls, the prevention of market manipulation, fraud, anti-bribery, corruption, and anti-money laundering. Any breach of this section is a material breach of this Agreement and is grounds for immediate termination.

(f) **Responsibility to Customer's Customers.** Customer is responsible for all customer service and other issues or claims that relate to the Customer's distribution or sale of the Loaned XRP. The Customer shall make no representations or warranties to any other party concerning, or on behalf of, the Company.

(g) **Publicity.** Neither Party may issue any press release or make any other public statement with respect to this Agreement and its terms and conditions unless the content, timing and method of distribution of the press release or public statement has been approved in writing by the other Party.

(h) **Confidentiality.** Each Party shall maintain all Confidential Information (as that term is defined in Attachment A) it receives in strict confidence and not disclose any Confidential Information to any third party or use any Confidential Information for any purpose other than the Performance of this Agreement, unless agreed upon in writing. A Party may disclose Confidential Information required to be disclosed by law, regulation, or a valid court order if that Party (i) gives the other Party timely notice, unless legally prohibited, so that other Party may seek a protective order, confidential treatment, or other appropriate relief and (ii) discloses only the portion of Confidential Information that is necessary to comply with such law, regulation, or order. The obligations in this sub-paragraph are in addition to, and do not supersede, any confidentiality and nondisclosure obligations provided in any other written agreement between the Parties.

(i) **Indemnification.** Customer agrees to defend, indemnify and hold the Company, its affiliates, and their respective employees, shareholders, directors, and representatives (together with the Company and its affiliates, the "Company Indemnitees") harmless and settle against any Claim or Loss (as those terms are defined in Attachment A), including attorneys' fees and any fines, fees or penalties imposed by any regulatory authority, arising out of or related to: (i) any violation of law by the Customer or the Customer's employees, contractors, or agents in connection with this Agreement, (ii) any breach of this Agreement by the Customer or the Customer's employees, contractors, or agents, and (iii) any use, distribution or resale of the Loaned XRP by the Customer or by the Customer's employees, contractors or agents. Notwithstanding anything to the contrary in this Agreement, the Customer is not obligated to indemnify, hold harmless, or defend the Company against any claims, demands, losses, expenses, and liabilities arising out of or relating to the Company's gross negligence, fraud, or willful misconduct in the performance of this Agreement.

(j) **Indemnification Procedure.** In connection with any Claim or Loss, the Company shall give the Customer prompt Notice of the Claim or Loss (however, that any delay in notification will not relieve the Customer of its obligation to indemnify, except and solely to the extent that the delay materially impairs the Customer's ability to defend the Claim or Loss). In addition, the Company will cooperate with Customer in connection with the defense and settlement of the Claim or Loss, with Customer having the right to choose counsel. The Customer shall not enter into any settlement or compromise of any Claim or Loss without the Company's prior written consent if such settlement or compromise arises from or is part of any criminal action, suit, or proceeding, or contains a stipulation to or admission or acknowledgement of any liability or wrongdoing (whether in contract, tort or otherwise) on the part of the Company, or otherwise requires the Company to refrain from or take material action (such as payment of fees). At its cost, the Company has the right to participate in the defense or settlement of the Claim or Loss with counsel of its own choosing.

SECTION 3. DISCLAIMERS, LIMITATIONS AND RESERVATIONS.

(a) EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, XRP II MAKES NO REPRESENTATIONS OR WARRANTIES IN RELATION TO THE PURCHASED XRP, THIS AGREEMENT OR ITS PERFORMANCE HEREUNDER, INCLUDING (WITHOUT LIMITATION) IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, OR IMPLIED WARRANTIES ARISING OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE.

(b) IN NO EVENT SHALL XRP II, ITS AFFILIATES, OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, EMPLOYEES OR REPRESENTATIVES, BE LIABLE TO THE CUSTOMER FOR ANY SPECIAL, INCIDENTAL, INDIRECT, INTANGIBLE, OR CONSEQUENTIAL DAMAGES OR DAMAGES FOR LOSS OF PROFITS, WHETHER BASED ON CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO AUTHORIZED OR UNAUTHORIZED TRANSACTIONS SUBJECT TO THIS AGREEMENT. XRP II, ITS AFFILIATES, OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, EMPLOYEES OR REPRESENTATIVES' ENTIRE LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT WILL IN NO EVENT EXCEED THE PURCHASE PRICE PAID BY CUSTOMER UNDER THIS AGREEMENT FOR THE TRANSACTION.

This means, by way of example only (and without limiting the scope of the preceding sentence), that if the Customer claims that the Company failed to properly process a purchase of XRP pursuant to this Agreement and the Terms of XRP Loan, the Customer's damages are limited to no more than the Purchase Price paid by Customer, and that Customer may not recover for lost profits, lost business opportunities, or other types of damages in excess of that total transaction value.

Customer shall have no recourse against Company for any liabilities of any type incurred by Customer and/or any of its affiliates as a result of its use, resale or distribution of XRP.

SECTION 4. TERM AND TERMINATION.

(a) **Term.** The term of this Agreement commences on the Effective Date and continues thereafter for one year ("Initial Term"). After the Initial Term, this Agreement shall renew automatically in successive one year periods ("Renewal Terms").

(b) **Termination by Notice.** The Parties may terminate this Agreement by ten (10) days written notice; provided that Customer may not terminate this agreement unless if (i) the End Dates of any and all Transactions have passed, and (ii) Customer has satisfied all of its obligations under Section 1, including but not limited to its obligation to return XRP pursuant to Section 1(e).

(c) **Termination for Breach.** Without limiting any other right or remedy that the Company may have at law or otherwise, the Company may, in its sole discretion, terminate this Agreement immediately upon notice to the Customer if the Customer breaches any of its obligations under this Agreement, in particular its obligation to comply with applicable laws and regulations as set forth in Section 3 of this Agreement.

(d) **Effect of Termination.** The expiration or termination of this Agreement, for any reason, shall not release either Party from any obligation or liability to the other Party, including any payment obligation, that: (i) has already accrued hereunder; (ii) comes into effect due to the expiration or termination of the Agreement; or (iii) otherwise survives the expiration or termination of this Agreement. In particular, on or before the expiration or termination of this Agreement, Customer shall return any XRP remaining in the Segregated Wallet to Company.

SECTION 5. REQUIRED DISCLOSURES.

(a) The Customer acknowledges and agrees that Customer cannot cancel, reverse, or change any XRP transaction that has been completed, as recorded on the XRP Ledger, including as described in Section 1(d) of this Agreement.

(b) The Customer acknowledges and agrees that Customer is solely responsible for maintaining adequate security and control of any and all IDs, passwords, hints, personal identification numbers (PINs), secret keys or any other codes that Customer uses to access the Loaned XRP ("**Customer Credentials**"). Any loss or compromise of Customer Credentials may result in unauthorized access to the Loaned XRP by third-parties and the loss or theft of such XRP. **The Company assumes no responsibility for any loss that the Customer may sustain due to compromise of Customer Credentials.**

(c) The Customer acknowledges the following material risks associated with virtual currency, including XRP:

(i) Virtual currency is not legal tender, is not backed by the government, and accounts and value balances are not subject to Federal Deposit Insurance Corporation or Securities Investor Protection Corporation protections.

(ii) Legislative and regulatory changes or actions at the state, federal, or international level may adversely affect the use, transfer, exchange, and value of virtual currency.

(iii) Transactions in virtual currency may be irreversible and, accordingly, losses due to fraudulent or accidental transactions may not be recoverable.

(iv) Some virtual currency transactions shall be deemed to be made when recorded on a public ledger, which is not necessarily the date or time that the transaction is initiated.

(v) The value of virtual currency may be derived from the continued willingness of market participants to exchange fiat currency for virtual currency, which may result in the potential for permanent and total loss of value of a particular virtual currency should the market for that virtual currency disappear.

(vi) There is no assurance that a person who accepts a virtual currency as payment today will continue to do so in the future.

(vii) The volatility and unpredictability of the price of virtual currency relative to fiat currency may result in significant loss over a short period of time.

(viii) The nature of virtual currency may lead to an increased risk of fraud or cyber attack.

(ix) The nature of virtual currency means that any technological difficulties experienced by the Company may prevent the access or use of a customer's virtual currency.

(x) Any bond or trust account maintained by the Company for the benefit of its customers may not be sufficient to cover all losses incurred by customers.

(d) If the Customer has any questions, needs assistance, or wishes to contact the Company with a complaint, Customer may contact the Company's Customer Support at complaints@ripple.com. If the Customer is dissatisfied with the manner in which a complaint has been handled, or for any other reason, Customer can also refer the matter to the New York State Department of Financial Services ("NYDFS") located at: One State Street, New York, NY 10004-1511, USA. Tel: + (800) 342-3736 (Monday through Friday, 8:30 AM to 4:30 PM EST). To file an electronic complaint with NYDFS, visit <https://myportal.dfs.ny.gov/web/guest/applications/consumer-complaint>.

(e) The Customer acknowledges and agrees that the Company may share information concerning the Customer in accordance with the Company's Privacy Policy Addendum (attached as Appendix C) including, without limitation, sharing such information (i) with appropriate state and federal regulatory authorities in connection with the transactions contemplated by this Agreement, (ii) in response to a court or government order, and (iii) with other affiliates of the Company in accordance with applicable laws. Lastly, the Customer agrees that the Company may obtain and use such information as may be necessary for legitimate business needs in connection with the operation of the Company and its affiliates.

SECTION 7. MISCELLANEOUS PROVISIONS.

(a) **Choice of Law; Jurisdiction and Venue.** This Agreement shall be governed by, and construed in accordance with the laws of the State of New York, U.S.A., as such laws are applied to contracts entered into and performed in such State and without reference to any conflict of laws rules or provisions. The Parties irrevocably consent to the non-exclusive jurisdiction and venue of the federal and state courts located in New York, New York, U.S.A. with respect to any claim, action or proceeding arising out of or in connection with this Agreement. The U.N. Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.

(b) **Notice.** Any notices under this Agreement shall be sent by certified or registered mail, return receipt requested, to the Notices address and party set forth below; provided, however, the Customer agrees and consents to receive electronically all communications, agreements, documents, notices and disclosures that the Company provides in connection with this Agreement, including but not limited to the Terms of XRP Loan, Transaction receipts, and any other disclosures or statements the Company may be required under applicable law or regulation to make to the Customer. Notice shall be effective upon receipt.

(c) **Entire Agreement; Amendments; Counterparts.** This Agreement constitutes the entire contract between the Parties hereto with regard to the subject matter hereof. It supersedes any other agreements, representations or understandings (whether oral or written and whether express or implied) that relate to the subject matter hereof. Except for a writing signed by both parties, this Agreement may not be modified or amended. If any provision of this Agreement is held to be

invalid, such invalidity will not affect the remaining provisions. This Agreement may be signed in any number of counterparts, each of which is an original and all of which taken together form one single Agreement. A signed copy of this Agreement transmitted by email or any other means of electronic transmission shall be deemed to have the same legal effect as an original executed copy of this Agreement.

(d) **Successors and Assigns.** The Customer may not assign any rights granted under this Agreement without the prior written consent of the Company. The Company reserves the right to assign its rights without restriction, including without limitation to any affiliates or subsidiaries. Any attempted transfer or assignment in violation hereof shall be null and void. Subject to the foregoing, the provisions of this Agreement shall inure to the benefit of, and be binding upon, the Company and its successors and assigns and be binding upon the Customer and the Customer's successors and permitted assigns, whether or not any such person has become a party to this Agreement or has agreed in writing to join herein and to be bound by the terms, conditions and restrictions hereof. In addition, this Agreement is not intended to confer any right or benefit on any third party.

(e) **Relationship of the Parties.** Nothing in this Agreement shall be construed or is intended to be construed as creating an employer-employee or agency relationship, a partnership, or a joint venture between the Parties.

(f) **Survival.** Section 1(c), Section 1(d), Section 2, Section 3(a), Section 3(h), Section 3(i), Section 3(j), Section 4, and Section 7 shall survive the termination or expiration of this Agreement, as well as any other provision that, in order to give proper effect to their intent, should survive such expiration or termination. Termination or expiration of this Agreement shall not affect or limit any independent rights of a Party in or to its Confidential Information under applicable laws.

(g) **Severability.** If any provision of this Agreement is determined to be invalid or unenforceable under any rule, law or regulation or any governmental agency, local, state, or federal, such provision will be changed and interpreted to accomplish the objectives of the provision to the greatest extent possible under any applicable law and the validity or enforceability of any other provision of this Agreement shall not be affected.

(h) **Non-Waiver.** The failure of either Party to enforce any provision of this Agreement or to exercise any rights or remedies under this Agreement will not constitute a waiver of the Party's rights to subsequently enforce the provision or exercise those rights or remedies. The remedies specified in this Agreement are in addition to any other remedies that may be available at law or equity.

(i) **Force Majeure.** The Company shall not be liable for delays, failure in performance or interruption of service which result directly or indirectly from any cause or condition beyond its reasonable control, including but not limited to, any delay or failure due to any act of God, act of civil or military authorities, act of terrorists, civil disturbance, war, strike or other labor dispute, fire, interruption in telecommunications or Internet services or network provider services, failure of equipment and/or software, other catastrophe or any other occurrence which is beyond its reasonable control and shall not affect the validity and enforceability of any remaining provisions.

PRIVACY POLICY ADDENDUM

Master XRP Commitment to Sell Agreement

This Master XRP Commitment to Sell Agreement (this "Agreement") is effective the date the last Party signs ("Effective Date") and is between **XRP II, LLC**, a New York limited liability company regulated by the New York State Department of Financial Services (the "Company") and [REDACTED] a Delaware limited liability company (the "Customer"). The Company and Customer are hereby referred to as "Party" individually and together as "Parties".

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, the Parties agree as follows:

1. XRP COMMITMENT

(a) **Segregated Wallet.** From time to time, the Parties may enter into transactions in which the Company will make available XRP, the digital asset native to the XRP Ledger ("XRP"), for purchase by Customer in accordance with this Agreement. Each such transaction is referenced herein as a "Commitment" and, unless otherwise agreed in writing, is to be governed by this Agreement. With respect to each Commitment, the Company shall transfer such XRP to a specified wallet directly and wholly owned by Customer, to be used specifically and solely in accordance with this Agreement (the "Segregated Wallet"). The security of the Segregated Wallet created and maintained by Customer will be the sole responsibility of Customer. In no event may Customer transfer any XRP into, or allow any XRP to be transferred into, the Segregated Wallet, other than XRP transferred by the Company to the Segregated Wallet in connection with a Commitment. If any XRP is transferred into the Segregated Wallet other than XRP transferred by the Company to the Segregated Wallet in connection with a Commitment, then Customer shall be required to promptly purchase all Committed XRP in the Segregated Wallet pursuant to Section 2. Customer may only transfer XRP out of the Segregated Wallet in accordance with Section 2.

(b) The Parties acknowledge and agree that the transfer of XRP by Company to Customer's Segregated Wallet pursuant to Section 1 paragraph (a) is for administrative convenience to facilitate Customer's ability to purchase such XRP at market price in accordance with Section 2. For the avoidance of doubt, the Parties acknowledge and agree that the mere transfer of XRP by Company to Customer's Segregated Wallet pursuant to this Section 1 paragraph (a) is not intended to be a sale or purchase of such XRP by Customer and that Customer holds such XRP as a bailee. The Parties acknowledge and agree that neither party shall the Company's mere transfer of XRP to Customer's Segregated Wallet as a sale or exchange for purposes of the United States Internal Revenue Code or state and local tax law purposes.

The Company will indicate on the invoice whether the Rate or Standard Rate was used in the calculation. Within five (5) days of receiving the invoice, Customer shall pay the Company the Purchase Price in USD noted on the invoice. Following receipt of payment, the Company shall send Customer a receipt confirming such payment. Customer shall make no representations or warranties to any other party concerning, or on behalf of, the Company.

(h) **Confidentiality.** Each Party shall maintain all Confidential Information it receives in strict confidence and not disclose any Confidential Information to any third party, unless agreed upon in writing. A Party may disclose Confidential Information required to be disclosed by law, regulation, or a valid court order if that Party (i) gives the other Party timely notice, unless legally prohibited, so that other Party may seek a protective order, confidential treatment, or other appropriate relief and (ii) discloses only the portion of Confidential Information that is necessary to comply with such law, regulation, or order. The obligations in this sub-paragraph are in addition to, and do not supersede, any confidentiality and nondisclosure obligations provided in any other written agreement between the Parties. "Confidential Information" means the terms of this Agreement and any non-public information or materials provided by either Party to the other Party in connection with the performance of this Agreement, but does not include any information or materials that: (A) was previously known to the receiving party free of any obligation to keep it confidential, (B) becomes generally available to the public through no wrongful act, (C) is rightfully received from a third party under no obligation of confidence to such third party, (D) is independently developed by the receiving party without reference to information which has been disclosed pursuant to this Agreement, or (E) is required to be disclosed in invoice to comply with all applicable laws, administrative process, stock exchange rule or governmental or court invoices; provided, however, that in a circumstance in which disclosure is compelled by applicable law, administrative process, stock exchange rule or governmental or court invoices, the party that is subject to such compelled disclosure shall limit the disclosure to only that information that must be disclosed to comply with the invoice and shall give the other party prompt prior notice of such compelled disclosure so that the other party may seek to protect such information.

Notwithstanding anything to the contrary in this Agreement, Customer is not obligated to indemnify, hold harmless, or defend the Company against any claims, demands, losses, expenses, and liabilities arising out of or relating to the Company's gross negligence, fraud, or willful misconduct in the performance of this Agreement. In addition, the Company will cooperate with Customer in connection with the defense and settlement of the Claim or Loss, with Customer having the right to choose counsel. Customer shall not enter into any settlement or compromise of any Claim or Loss without the Company's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed) if such settlement or compromise arises from or is part of any criminal action, suit, or proceeding, or contains a stipulation to or admission or acknowledgement of any liability or wrongdoing (whether in contract, tort or otherwise) on the part of the Company, or otherwise requires the Company to refrain from or take material action (such as payment of fees). At its cost, the Company has the right to participate in the defense or settlement of the Claim or Loss with counsel of its own choosing.

4. DISCLAIMERS, LIMITATIONS AND RESERVATIONS

(a) EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, THE COMPANY MAKES NO REPRESENTATIONS OR WARRANTIES IN RELATION TO THE PURCHASED XRP, THIS AGREEMENT OR ITS PERFORMANCE HEREUNDER, INCLUDING (WITHOUT LIMITATION) IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, OR IMPLIED WARRANTIES ARISING OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE.

(b) IN NO EVENT SHALL THE COMPANY, ITS AFFILIATES, OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, EMPLOYEES OR REPRESENTATIVES, BE LIABLE TO CUSTOMER FOR ANY SPECIAL, INCIDENTAL, INDIRECT, INTANGIBLE, OR CONSEQUENTIAL DAMAGES OR DAMAGES FOR LOSS OF PROFITS, WHETHER BASED ON CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO AUTHORIZED OR UNAUTHORIZED TRANSACTIONS SUBJECT TO THIS AGREEMENT. THE COMPANY, ITS AFFILIATES, OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, EMPLOYEES OR REPRESENTATIVES' ENTIRE LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT WILL IN NO EVENT EXCEED THE AGGREGATE PURCHASE PRICE PAID BY CUSTOMER UNDER THIS AGREEMENT.

5. TERM AND TERMINATION

(a) **Term.** The term of this Agreement commences on the Effective Date and continues thereafter for one (1) year (the "Initial Term"). After the Initial Term, this Agreement shall renew automatically in successive one year periods ("Renewal Terms").

(b) **Termination by Notice.** The Parties may terminate this Agreement by ten (10) days written notice; provided, however, that Customer may not terminate this agreement unless if (i) the Maturity Dates of any and all Commitments have passed, and (ii) Customer has satisfied all of its obligations under Section 1, including but not limited to its obligation to return Unpurchased XRP pursuant to Section 1(d).

(c) **Termination for Breach.** Without limiting any other right or remedy that the Company may have at law or otherwise, the Company may, in its sole discretion, terminate this Agreement immediately upon notice to Customer if Customer breaches any of its obligations under this Agreement, in particular its obligation to comply with applicable laws and regulations as set forth in Section 3(e).

(d) **Effect of Termination.** The expiration or termination of this Agreement, for any reason, shall not release either Party from any obligation or liability to the other Party, including any payment obligation, that: (i) has already accrued hereunder; (ii) comes into effect due to the expiration or termination of this Agreement; or (iii) otherwise survives the expiration or termination of this Agreement. In particular, on or before the expiration or termination of this Agreement, Customer shall return any XRP remaining in the Segregated Wallet to Company.

6. REQUIRED DISCLOSURES

(ix) The nature of virtual currency means that any technological difficulties experienced by the Company may prevent the access or use of a customer's virtual currency.

(x) Any bond or trust account maintained by the Company for the benefit of its customers may not be sufficient to cover all losses incurred by customers.

(d) If Customer has any questions, needs assistance, or wishes to contact the Company with a complaint, Customer may contact the Company's Customer Support at complaints@ripple.com.
